Office Order

ACADEMIC COMMITTEE & COUNCIL 2020-21

The Institution's teaching and learning strategy is to provide an exceptional, distinctive and high quality learning experience for all students. Effective engagement of the University community in academic decision-making is an integral part of this strategy.

To provide effective engagement of the Institution's academic community in academic decision-making the role and function of Academic Committee is to contribute to the quality assurance of the University's academic portfolio of qualifications and papers through cross-College peer review and scrutiny of proposals made to the Committee, and the provision of advice to Academic Board.

The Academic Excellence Committee is commissioned by and responsible to the Board of Trustees to assume the primary responsibility for working with the institutions authority to define academic excellence, ensure that all board members know the charter promises that were made to the community and the authorizer and to devise clear and consistent measures to monitor these goals.
