Office Order

RESEARCH & DEVELOPMENT CELL 2025-26

To promote research and innovation practices in the institute the Governing body of Goel Institute of Technology & Management, Lucknow on the recommendation of Academic Council has approved for the formation of Research & Development Cell which shall work on the following initial guidelines under the committee members as given below:

Rules and Regulations for the Formation of Research & Development (R & D) Cell:-

1. **Objective:**
 - To promote and facilitate research activities among faculty and students.
 - To foster innovation and development in various fields of study.
 - To establish collaborations with industry and other research institutions.
2. **Structure:**
 - The R&D Cell shall be headed by a Dean Academics, Goel Institute of Technology & Management, Lucknow.
 - The Cell shall include faculty members from various departments, with at least one representative from each department.
 - Student representatives may be included to encourage student participation in research activities.
3. **Functions:**
 - To identify and promote research areas relevant to the institute's goals.
 - To organize workshops, seminars, and conferences to enhance research skills.
 - To facilitate the publication of research findings in reputed journals and conferences.
 - To seek funding opportunities from government and private agencies for research projects.
 - To establish and maintain research collaborations with industry and other academic institutions.
4. **Meetings:**
 - The R&D Cell shall meet at least once every month to discuss ongoing and future research activities.
 - Minutes of the meetings shall be recorded and maintained for future reference.
5. **Funding:**
 - The institute shall allocate a budget for the R&D Cell to support research activities.
 - The Cell shall also seek external funding from various agencies to support research projects.
6. **Ethics and Integrity:**
 - All research activities shall adhere to ethical guidelines and maintain the highest standards of integrity.
 - Plagiarism and other forms of academic dishonesty shall be strictly prohibited.
7. **Reporting:**
 - The R&D Cell shall submit an annual report to the Director, detailing the research activities and achievements of the year.
 - The report shall include information on publications, funded projects, collaborations, and other significant accomplishments.
8. **Review and Evaluation:**
 - The performance of the R&D Cell shall be reviewed annually by a committee appointed by the Director, Goel Institute of Technology & Management.
 - The committee shall evaluate the effectiveness of the Cell in achieving its objectives and suggest improvements if necessary.

These rules and regulations aim to create a robust research ecosystem at Goel Institute of Technology & Management, fostering innovation and development in various fields of study.
