Date: 16 September 2025

Sub: Campus by TCS

Attn: BBA/BCOM/BCOM-H –2026 Batch

Courses & Discipline: Full Time Graduates from B. Com, BA, BAF, BBI, BBA, BBM and BMS – 2026 Year of Passing candidates may apply.

- **Course Types:** Only full-time courses will be considered (part-time / correspondence courses will not be considered). Candidates who have completed their Secondary and / or Senior Secondary course from NIOS (National Institute of Open Schooling) are also eligible to apply if the other courses are full-time.
- **Highest Qualification:** It is mandatory that the course to be cleared and completed within the stipulated time duration of the course without any backlogs to be eligible for joining in TCS if selected.
- **Backlogs & Extended Education:** One active backlog at the time of appearing for the TCS selection process is permitted. **However, it is mandatory that the course is cleared and completed within the time duration stipulated by the University without any backlogs for a candidate to be eligible to join TCS, if selected. Extended Education will not be considered as eligible.**
- **Gap / Break in Education:** It is mandatory for students to declare gaps in education, if any in TCS Application Form. The overall academic gap should not exceed 24 months until the highest qualification. Relevant document proof, as applicable, will be checked for gaps in education.
- **Work Experience:** Please note, the role is for 'Entry Level Requirement'. However, prior work experience, if any is required to be mandatorily declared by the candidates in the TCS Application Form.
- **Age:** Minimum age – 18 years and Maximum age – 28 years.

Note: Kindly note that we have a stringent eligibility criteria and a robust selection process. Your eligibility as per the defined criteria will be checked at various stages of the selection process. At any point of time if you are found ineligible, or data shared by you is found discrepant, your candidature will be disqualified.

Students must register and fill up the application form on the TCS Nextstep portal (if not done already). The status of the student should be "**Applied for Drive**". This is important to be included in the test process.

Steps to complete the Application Process:

Step 1. Logon to the TCS Next Step Portal here (<https://on.tcs.com/4ghJTtv>)

Step 2. Verification Details as per Aadhaar

- It is important and mandatory to update your details correctly.
- The Name and DOB should exactly match the details as per the Aadhaar Card.
- Incorrect details submitted may lead to disqualification of your candidature.

Step 3. Register and apply for the TCS BPS Hiring process for **Batch of 2026**.

Scenario A. If you are a registered user, kindly login and proceed to complete the application form. Upon submission, kindly click on 'Apply for Drive.'

Scenario B. If you are a new user, kindly click on Register Now, choose **category as 'BPS'** and proceed to fill your details. Submit your application form and click on 'Apply for Drive.'

Important: Please ensure that the details in the TCS Application Form are complete and accurate (Academic Details, Internship, Work Experience, if any)

Step 4. Select your mode of test (In-Centre) and choose your preferred test Centre & then click on Apply. Please Note, test Centre once chosen cannot be changed.

Step 5. To confirm your status, check '**Track Your Application**'. The status should reflect as '**Applied for Drive**.'

IMPORTANT NOTE:

Please note that this is an In-Centre test. Kindly be informed that the allotment of seats in the respective center's will be on 'First-Come-First Serve' basis and hence it is important to register and apply at the earliest to select your preferred Test Centre. The selection of preferred city will be restricted once the seats are full (you will not be able to select your preferred city if the seats are already full).

Company:

Executive Ship Management (ESM) 25 year old premier management company based in Singapore valued by its clients and partners in the industry for its high end professional expertise and services. ESM is one of the core establishment and genesis for the founders of the Executive Group of Companies which comprises of six other Marine Services related Businesses. As a trusted and dependable manager, ESM offers a holistic package of ship management services that includes a keen eye on the budget and cost optimization through intervention of technology for its Ship owners. ESM commits that the crew sailing the company managed ships is recruited and appropriately trained in-house. Each crew member, be it an officer or a rating is put through rigorous ship specific training regime at its training centre, Samundra Institute of Maritime Studies (SIMS). Over 80% of the ESM managed ship's officers are from cadets trained in-house at SIMS and the Company is envisioned to be uniquely positioned to run its entire managed fleet by officers trained since cadetship.

The Industry:

Merchant Navy deals with commercial transport of goods by ships. It forms the backbone of international trade carrying more than 90% of the world trade. A highly professionalized and regulated industry; there is a demand for well-trained Merchant Navy Officers worldwide and Indian merchant navy officers have ample opportunities to fill in the slots. Candidates can join as officers at Navigation/Deck or Engineering positions on merchant ships depending upon the training received. In addition to the thrill and adventure of a career at sea, a merchant navy officer receives an excellent pay package - many times higher than his counterparts with similar qualification in other fields. Those sailing on ships trading in the international waters have the unique advantage of earning in Tax Free US dollars The profession also requires officers to be continuously trained thus keeping them abreast of the latest technology and knowledge in this field. Perks such as paid leave and the option of carrying families on board make Merchant Navy, an attractive career.

Eligible candidates : Pre-final year and Final year Mechanical , Electrical and Electronics department

(2024,2025 and 2026 candidates)

Process : Pre-Placement talk , Online exam and Interview .

Package : US Dollars 750 per month onwards and upto US Dollar 15,000/ Month (Tax free salary.)

Date: 30 Jan 2026

Sub: Campus by McDonald **Attn: MBA / BBA - 2026 Batch**

This is to invite you to collaborate with McDonald's CPRL for **7 months restaurant operations intern program**.

Here are the details about this program & I am attaching Job description of MT with this email.

About the ROI Programme:

The **Restaurant Operations Intern Programme** is a structured 7-month training initiative for students who have completed or are about to complete their graduation (by July). It combines **on-floor and off-floor learning modules** to help candidates gain first-hand operational experience and leadership skills essential for managing restaurant operations.

Career Path: 5 months – Restaurant Operations Intern (6 days working)

2 month – Management Trainee (5 days working)

8th month onwards– Second Assistant Manager (5 days working)

- **Stipend during Internship:** ₹8,000 per month
- **CTC during Management Trainee phase:** 21k per month
- **CTC post promotion as Second Assistant Manager:** ₹3.12 LPA

This program offers **fast-track growth** and a **long-term career pathway** within McDonald's North & East India.

Role Overview – ROI Intern:

As a **Restaurant Operations Intern**, you will be the face of McDonald's, learning the fundamentals of customer service, food quality, hygiene, and restaurant management.

You'll experience the excitement of working in a dynamic, team-oriented environment while gaining leadership exposure.

Location: McD Stores- North & East India

No. of Openings: 70

Key Responsibilities during internship:

- Deliver excellent customer service with warmth and professionalism.
- Prepare and serve food items as per McDonald's quality and safety standards.
- Assist in day-to-day restaurant operations including order handling, cleanliness, and team coordination.
- Uphold McDonald's values of **Quality, Service, Cleanliness, and Value (QSC&V)**.
- Participate in structured learning modules and assessments designed to prepare you for managerial roles.

Skills & Attributes:

- Good communication and interpersonal skills.
- Positive attitude and a strong sense of teamwork.
- Eagerness to learn and grow in a fast-paced environment.
- Flexibility to work in shifts and weekends.
