Sub: TCS CodeVita Season 13

Attn: B.Tech (all branches) 2026, 2027, 2028 Batch

Launch of TCS CodeVita Season 13 — where young coders from all corners of the world compete to prove their mettle. TCS CodeVita™ is a 24-hour global online programming challenge designed to promote the notion of “**Code for Impact**”. The ultimate platform encourages budding coders to participate through a series of real-life challenges across a stretch of three rounds to bag the coveted “**World’s Best Coder**” title, where they stand to win glory, rewards of up to USD 20,000 (cumulative), and make an impact through code.

We bring together the brightest minds from diverse cultures to battle it out and push boundaries. Your influence can inspire talented coders to compete in this global challenge, further enhancing the legacy of TCS CodeVita. All information about the event, including the registration procedure, is available on the official website: <https://codevita.tcsapps.com>

We request your support in registering interested students for the CodeVita. **Registrations began on 23rd July 2025 and will continue until 18th September 2025.**

Registration Link : <https://codevita.tcsapps.com>

What's in it for students?

- Global Recognition
- Enhance coding skills with real-world challenges
- Cultural exchange & exposure to industry-standard programming tasks
- Compete and network with top coders globally
- Access to career opportunities, internships, and rewards

Eligibility -

Students currently pursuing graduation or post-graduation who are:

- Studying in any stream of science or engineering
- Expected to complete their course in the year 2026, 2027, 2028, or 2029
