1) Five (5) minutes prior to scheduled examination link of **word/pdf Doc** will be shared by the assigned faculty members with the students in the Google Classroom for the M.Tech First year 1st Sessional examination.

2) **The students are required to use only blue ball point pen and blank sheets (preferably A4 sheets) for writing answers.** Students will mention the basic details as Name, Father's Name, Course, Branch, Subject Name, and Subject Code in Capital Letters. At the end within stipulated time of 2 hours (latest by 10:00 PM), students will scan all the handwritten answer-sheets and upload one single PDF file on Google Classroom as per following naming convention.
